

Single Let Fully Managed Service & Fees

Our fully managed service means that **we will take care of everything** related to your property. We will find you the right tenant, collect your rent and deal with any property-related maintenance and handle emergencies 24 hours a day. We understand how important it is to do regular inspections and to keep your property in good condition.

Our Fully Managed service includes:

- A **Free** initial consultation to establish the best rental rates and how to market your property
- Property take-on assessment and lettings inspection report, including all set-up items to ensure your property meets all legal and local authority requirements and is ready to let

Finding you professional Tenants:

- Marketing your property on the best websites
- Arranging and undertaking viewings at times that suit prospective tenants
- Tenant interviewing and selection to ensure a good fit for your property
- Full tenant referencing, credit and right to rent checks
- Full guarantor referencing and obtaining a guarantee Agreement (if applicable)
- Preparation and signing of the Tenancy Agreement
- Issuing all prescribed documentation ensuring legal requirements are met
- Lodging of tenant deposits with the Deposit Protection Service
- Check-in and check-out of tenants

Ongoing Full Management:

- Your own Property Manager who knows and manages everything to do with your property
- Setting up tenant direct debit and ongoing collection of monthly rent
- Arrears management with any late rent payments chased with Tenants (and their Guarantors if applicable)
- Monthly statement of rent received, any maintenance deductions and transfer into your account
- Periodic Inspections with full photographic records and required maintenance actions
- A Tenant App for tenants to report maintenance, submit photos and liaise with their property manager
- Emergency 24/7 out of hours service
- Organising maintenance and repairs needed - No fees added
- Organising all required gas and electrical safety certificates, fire risk assessments and EPC's
- All tenant and client money fully protected by our Client Money Protection Insurance and membership of UKALA. We are also members of the National Residential Landlords Association.
